LETTER FROM THE BOARD

(iii) the re-election of Directors.

The notice of the AGM is set out on pages 17 to 20 of this circular.

GENERAL MANDATES TO ISSUE NEW SHARES AND REPURCHASE ITS OWN SHARES

The existing general mandate granted to the Directors at the annual general meeting and the extraordinary general meeting of the Company held on 15 June 2012 and 18 July 2012 respectively will expire upon the conclusion of the AGM. Ordinary resolutions will therefore be proposed at the AGM to seek the approval of the Shareholders for granting the general mandates to the Directors:

- (i) to allot, issue and deal with additional Shares up to a maximum of 20% of the issued Shares of the Company as at the date of passing the resolution (the “Share Issue Mandate”); and
- (ii) to repurchase on the Stock Exchange the Shares up to a maximum of 10% of the issued Shares of the Company as at the date of passing the resolution (the “Repurchase Mandate”).

As at the Latest Practicable Date, the number of Shares in issue was 4,269,910,510 Shares. Accordingly, the exercise of the Share Issue Mandate in full would enable the Company to allot, issue or otherwise deal with additional 853,982,102 new Shares.

An explanatory statement as required under the Listing Rules to provide you with all the information is set out in Appendix I to this circular.

EXTENSION OF SHARE ISSUE MANDATE

Subject to the passing of the proposed resolutions regarding the Share Issue Mandate, the Repurchase Mandate and the Extension of Share Issue Mandate, the Directors will be given a general mandate to add all those number of the Shares which may from time to time be repurchased under the Repurchase Mandate to the Share Issue Mandate. Thus, the limit of the Share Issue Mandate would include, in addition to the 20% limit as aforesaid, the number of Shares that may be repurchased under the Repurchase Mandate.

RE-ELECTION OF DIRECTORS

In accordance with the provisions of the Articles of Association, Mr. Zhou Guo Chang, Ms. Lee Siu Yuk, Eliza and Mr. Yuen Hon Ming, Edwin shall retire from the Board at the AGM and offer themselves for re-election.

Mr. Ji Xu Dong, Mr. Xu Xiao Jun, Mr. He Jin Geng and Mr. Yu Hong Gao were appointed as Directors of the Company during the period from 15 June 2012 (the date of the Company’s latest annual general meeting) and ended on the Latest Practicable Date. They will hold office until the AGM and will be eligible for re-election in accordance with the Articles of Association.

LETTER FROM THE BOARD

Details of the Directors proposed to be re-elected at the AGM are set out in Appendix II to this circular.

VOTING AT THE AGM

Pursuant to Rule 13.39(4) of the Listing Rules, any vote of shareholders at a general meeting must be taken by poll. As such, all the resolutions put to the vote at the AGM will be taken by way of poll.

ANNUAL GENERAL MEETING

The notice convening the 2013 Annual General Meeting is set out on pages 17 to 20 of this circular. A form of proxy for use at the 2013 Annual General Meeting and the Annual Report for the year ended 31 December 2012 are being sent to the Shareholders together with this circular. Whether or not you are able to attend the 2013 Annual General Meeting, please complete the accompanying form of proxy in accordance with the instructions printed thereon and return it to the Company's Hong Kong share registrar, Tricor Standard Limited, at 26th Floor, Tesbury Centre, 28 Queen's Road East, Wanchai, Hong Kong as soon as possible and in any event not less than 48 hours before the time appointed for holding the annual general meeting or any adjournment thereof. Completion and delivery of the form of proxy will not preclude you from attending and voting at the 2013 Annual General Meeting if you so wish.

RECOMMENDATION

The Directors believe that the ordinary resolutions to be put before the AGM are in the best interests of the Company and its Shareholders as a whole. Accordingly, the Directors recommend all Shareholders to vote in favour of the relevant resolutions to be proposed at the 2013 Annual General Meeting.

Yours faithfully,
For and on behalf of the Board
Ye De Chao
Chairman and Executive Director

This Appendix serves as an explanatory statement as required by the Listing Rules to provide the requisite information to the Shareholders for their consideration of the proposed Share Issue Mandate and the Repurchase Mandate.

SHARE ISSUE MANDATE

Should the Share Issue Mandate be granted at the 2013 Annual General Meeting and on the assumption that 4,269,910,510 Shares in issue as at 23 April 2013 (being the Latest Practicable Date prior to the printing of this circular) remains unchanged prior to the date of passing the resolution for the Share Issue Mandate, the Directors are empowered to issue a maximum of 853,982,102 new Shares, otherwise than pursuant to (i) a rights issue; or (ii) an exercise of subscription rights under any share option scheme of the Company, during the period up to the conclusion of the next following annual general meeting of the Company unless it is otherwise revoked or varied by a resolution of the Shareholders in a general meeting of the Company. In accordance with the Listing Rules, the Company may not make a new issue of Shares or announce a proposed new issue of Shares for a period of 30 days after any repurchase by it of Shares, whether on the Stock Exchange or otherwise, other than an issue of securities pursuant to the exercise of warrants, share options or similar financial instruments requiring the Company to issue securities which were outstanding prior to that repurchase of its own securities, without the prior approval of the Stock Exchange.

REPURCHASE OF SHARES

(1) Repurchase Mandate

As at the Latest Practicable Date, the number of the Shares in issue was 4,269,910,510. Subject to the passing of the Repurchase Mandate and on the assumption that no additional Shares will be issued or repurchased prior to the date of passing the Repurchase Mandate, the Company will be allowed under the mandate to repurchase a maximum of 426,991,051 Shares, being approximately 10% of the issued share capital of the Company, during the period up to the conclusion of the next following annual general meeting of the Company, or the expiration of the period within which the next following annual general meeting of the Company is required by law to be held, or the revocation or variation of the approval granted under the Repurchase Mandate by an ordinary resolution of the Shareholders in general meeting, whichever is the earlier.

The Directors have no present intention to repurchase any Shares but consider that the Repurchase Mandate will provide the Company the flexibility to make such repurchase when appropriate and beneficial to the Company. Such repurchases may, depending on market conditions and funding arrangements, enhance the net asset value of the Company and/or earnings per Share. The Directors would only make such repurchases in circumstances which they consider to be in the best interests of the Company.

As compared with the financial position of the Company as at 31 December 2012 (being the date of the Company's latest published audited accounts), the Directors consider that there would not be a material adverse impact on the working capital or gearing position of the Company in the event that the Repurchase Mandate is exercised in full at any time during the proposed repurchase period. No repurchase would be made in circumstances that would have a material adverse impact on the working capital or gearing position of the Company.

(2) Funding of Repurchases

The Company is empowered by its memorandum and articles of association to repurchase its Shares. In repurchasing Shares, the Company will only apply funds legally available for such purpose in accordance with its memorandum and articles of association and the laws of the Cayman Islands. The laws of the Cayman Islands provide that a redemption or repurchase of shares may be made (to the extent of the par value of such shares) out of profit or the proceeds of a fresh issue of shares made for the purpose of the redemption or repurchase or, out of capital, provided that the Company is able to pay its debts as they fall due in the ordinary course of business and the redemption or repurchase is authorised by its articles of association. Any premium payable on a redemption or repurchase may be made out of profits, the Company's share premium account or out of capital, provided that the Company is able to pay its debts as they fall due in the ordinary course of business and the redemption or repurchase is authorised by its articles of association. Redeemed or repurchased shares shall be treated as cancelled and the amount of the Company's issued share capital shall be diminished by the nominal value of those shares accordingly but redemption or repurchase of shares of the Company is not to be taken as reducing the amount of the Company's authorised share capital.

(3) Trading Restrictions

The total number of Shares which the Company may repurchase is up to 10% of the total number of the Shares in issue as at the date of passing the resolution for the Repurchase Mandate.

The Company shall not repurchase its Shares on the Stock Exchange:

- a. if the repurchase price is higher by 5% or more than the average closing market price for the 5 preceding trading days on which its Shares were traded on the Stock Exchange; or
- b. for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

The Company shall not knowingly repurchase its Shares from a connected person and a connected person shall not knowingly sell Shares to the Company, on the Stock Exchange.

The Company shall procure that any broker appointed by the Company to effect the purchase of its Shares shall disclose to the Stock Exchange such information with respect to purchases made on behalf of the Company as the Stock Exchange may request.

The Company shall not repurchase its shares on the Stock Exchange at any time after a price sensitive development has occurred or has been the subject of a decision until such time as the price sensitive information is made publicly available. In particular, during the period of one month immediately preceding the earlier of:

- a. the date of the board meeting (as such date is first notified to the Stock Exchange in accordance with the Listing Rules) for the approval of the Company's results for any year, half-year, quarterly or any other interim period (whether or not required under the Listing Rules); and
- b. the deadline for the Company to publish an announcement of its results for any year or half-year under the Listing Rules, or quarterly or any other interim period (whether or not required under the Listing Rules),

and ending on the date of the results announcement, the Company may not repurchase its shares on the Stock Exchange, unless the circumstances are exceptional.

The Company shall not repurchase its shares if that repurchase would result in the number of listed securities which are in the hands of the public falling below the relevant prescribed minimum percentage as required by the Stock Exchange, currently, 25% of the total issued share capital of the Company.

(4) Procedure and Reporting

The Company will submit for publication to the Stock Exchange through HKEx-EPS not later than 30 minutes before the earlier of the commencement of the morning trading session or any pre-opening session on the business day following any day on which the Company makes a repurchase of shares (whether on the Stock Exchange or otherwise), the total number of shares repurchased by the Company the previous day, the purchase price per share or the highest and lowest prices paid for such repurchases, where relevant, and shall confirm that those repurchases which were made on the Stock Exchange were made in accordance with the Listing Rules and that there have been no material changes to the particulars contained in this circular. The Company should make arrangements with its brokers to ensure that they provide to the Company in a timely fashion the necessary information to enable the Company to make the report to the Stock Exchange.

In addition, the Company's annual report is required to disclose details regarding repurchases of Shares made during the year, including a monthly analysis of the number of shares repurchased, the purchase price per Share or the highest and lowest price paid for all such repurchases, where relevant, and the aggregate prices paid.

(5) Undertaking of the Directors

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules and all applicable laws of the Cayman Islands and in accordance with the regulations set out in the memorandum and articles of association of the Company.

(6) Directors, their associates and connected persons

None of the Directors nor, to the best of their knowledge having made all reasonable enquiries, any of their associates presently intend to sell the Shares to the Company under the Repurchase Mandate in the event that the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any connected persons of the Company that they have a present intention to sell any Shares, or that they have undertaken not to sell any Shares held by them, to the Company in the event that the Company is authorised to make the repurchase of Shares.

(7) Effect of Takeovers Code

If as a result of a repurchase of the Shares, a Shareholder's proportionate interest in the voting capital of the Company increases, such increase will be treated as an acquisition for the purpose of the Takeovers Code and, if such increase results in a change of control, may in certain circumstances give rise to an obligation to make a mandatory general offer for the Shares under Rules 26 and 32 of the Takeovers Code.

As at the Latest Practicable Date,

- a. the substantial shareholder of the Company was Mr. Ye De Chao, a Director of the Company. Mr. Ye De Chao, a beneficial holder was interested in 1,189,290,512 Shares (of which 1,189,290,512 Shares were held by Legendary Base International Limited, a company which was wholly-owned by Mr. Ye De Chao), representing approximately 27.85% of the issued share capital of the Company;
- b. Mr. Ji Xu Dong, a Director of the Company, was a beneficial holder who was interested in 6,324,000 Shares, representing approximately 0.15% of the issued share capital of the Company; and
- c. Expert Ever Limited was reported to hold 426,990,000 Shares, representing approximately 9.999975% of the issued share capital of the Company according to disclosure of interest notice filed pursuant to the requirements of the SFO.

On the assumption that the number of Shares in issue remains unchanged from the Latest Practicable Date up to the expiry of the Repurchase Mandate and in the event that the Directors should exercise in full the power to repurchase Shares pursuant to the Repurchase Mandate, the interest in Shares held by Mr. Ye De Chao, Mr. Ji Xu Dong and Expert Ever Limited would be increased to approximately 30.95%, 0.16% and 11.11% of the then issued share capital of the Company respectively. In the opinion of the Directors, such increase in the interest in Shares held by Mr. Ye De Chao himself or by any other directors who are deemed to be parties acting in concert with him (unless otherwise rebutted) and by associates who holds 5% or more of the Shares may give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code. The Directors have no present intention to exercise the Repurchase Mandate to such an extent as would result in takeover obligations.

(8) Repurchases of Shares made by the Company

The Company had not repurchased any Shares (whether on the Stock Exchange or otherwise) during the six months prior to the Latest Practicable Date.

(9) Market Prices

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous twelve months are as follows:

Month	Traded price per Share	
	Highest <i>HK\$</i>	Lowest <i>HK\$</i>
Year 2012		
March	0.270	0.235

June	0.250	0.222
